

PDC is pleased to announce that Captain Assem Ashary has been appointed as King Abdullah Port Harbour Master. Assem brings to King Abdullah Port an exceptionally strong operational background in marine services, navigational safety, marine incident response, and marine legislation.

As a mariner, Assem had a very successful career, starting as a pilot for Jeddah Islamic Port, followed by serving on board commercial ships of different types (Ro/Ro, break bulk, containers, oil tankers) for 20 years ending as a Master for the last four years of his sea service.

Following his career on the seas, Assem changed career direction towards port management, serving as Jeddah Islamic Port executive director of marine services.

Assem joined King Abdullah Port in April 2013 as the marine services department deputy director and in February 2016 he was appointed as King Abdullah Port Harbour Master.

For all of King Abdullah Port's marine services related affairs and regulations, please feel free to contact him on his email aashary@portsdevco.com and by phone on +966 12 6159580.
